

# **The Fourth Annual Camp Crucis Cleanup and Cookout**

Mark your calendars for Saturday May 6<sup>th</sup>, 2017. God willing and the creek doesn't rise, LITERALLY, Camp Crucis will be hosting the fourth annual Camp Crucis Cleanup and Cookout. Last year was a huge success. After the flood, we had nearly 180 people out to help cleanup as we got the camp in tip top shape for the summer. This year will be no different!

We will serve breakfast at 7:30 am (for those of you who make it here that early) and lunch and dinner are provided as well.

We will have an emphasis on painting, tree pruning and some small construction

**Items to bring: rakes, hoes, shovels, chainsaws, pruners, pump up sprayers, drills/ screw gun, hammers.**

**If you have any t-post drivers, bring those as well.**

I will continue to send out updates as we get closer to the date, so keep checking the website and facebook.

If you have any questions, call the camp office at 817-573-3343

I look forward to seeing you all again this year!
